**PESTICIDE CONTAINER DISPOSAL DECLARATION**  
**PROCEDURE FOR DISPOSAL OF PESTICIDE CONTAINERS IN SUTTER COUNTY**

Burn paper pesticide containers at time of use in an area authorized for burning and where a threat of a fire hazard is not likely.

Liquid pesticide containers are subject to the following requirements:

**6684. Rinse and Drain Procedures.**

- (a) Except for containers to be returned to the registrant, each emptied container that has held less than 28 gallons of a liquid pesticide that is diluted for use shall be rinsed and drained by the user at time of use as follows:
  - (b)(1) Use the following amount of water or other designated spray carrier for each rinse.

<u>Size of Container</u>	<u>Amount of rinse medium</u>
Less than 5 gallons	1/4 container volume
5 gallons or over	1/5 container volume
  - (2) Place required minimum amount of rinse medium in the container, replace closure securely, and agitate.
  - (3) Drain rinse solution from container into tank mix. Allow container to drain 30 seconds after normal emptying.
  - (4) Repeat (2) and (3) above a minimum of two times so as to provide a total of three rinses;
- (c)(1) Invert the emptied container over a nozzle located in the opening of the mix tank which is capable of rinsing all inner surfaces of the container.
  - (2) Activate the rinse nozzle allowing the rinse solution to drain into the tank. The rinse shall continue until the rinse solution appears clear and a minimum of one-half of the container volume of rinse medium has been used. A minimum of 15 pounds pressure per square inch shall be used for rinsing.

Container processed in the above manner may be recycled by a program approved by the State Director of Food and Agriculture or may be disposed of at the Yuba Sutter Disposal area by signing the following declaration and delivering it to the disposal site operator at the time of delivery of the containers.

**DECLARATION**

I, the undersigned hereby declare:

I have followed all the required procedures above specified for rinsing the pesticide containers herewith delivered for disposal at the Yuba-Sutter Disposal Area.

I declare under penalty of perjury that the foregoing is true and correct.
