

Harold's Story (49 years old):

Harold was born in East Oakland and lived there until the age of six. After graduating from high school, he continued his education and attained an associate degree in liberal arts. For over 10 years he worked as a maintenance worker and traveled all over central California. In 2005, he worked for the City of Yuba City up until 2017. Harold had been off and on homeless since 2018. After a divorce and losing his job he lost his housing. Since at Better Way he has been working towards getting Social Security with his case manager. Harold worked well with all staff and completed his goal with the housing navigator to find housing. He was always in good spirits and had a smile on. The staff appreciated the positive outlook. We still remember Harold's, "Together everyone achieves more TEAM" quote.
