**RESOLUTION NO. 2025-0708-01 OF THE BOARD OF TRUSTEES
OF RECLAMATION DISTRICT NO. 1660**

Upon motion duly made, and unanimously passed, it was:

RESOLVED, that the work described in the Reclamation District 1660's 2025 Flood Maintenance Program consists of routine levee maintenance to existing levee facilities and falls within the categorical exemptions to the California Environmental Quality Act.

RESOLVED FURTHER, that Reclamation District 1660 performs routine maintenance on its existing infrastructure and facilities associated with the District's operations and responsibilities. These routine maintenances of facilities fall within the categorical exemptions of the California Environmental Quality Act.

RESOLVED FURTHER, that all repair of erosion protection, all levee crown restoration, all Levee section restoration including adding material to back slopes, construction of toe berms and construction of seepage berms, drains and other measures to control seepage falls within the categorical exemptions to the California Environmental Quality Act.

RESOLVED FURTHER that all the work described above falls within the categorical exemptions to the California Environmental Quality Act pursuant to Section 15301 (Class I) of the Guidelines for the California Environmental Quality Act, California Administrative Code of Regulations, Title 14, Chapter 3, Article 19.

RESOLVED FURTHER that the District finds the proposed work will not have a significant effect upon the environment.

RESOLVED FURTHER, that said work does not constitute an exception to the exemptions of the California Environmental Quality Act.

RESOLVED FURTHER, that Andy Duffey, General Manager, is hereby directed to prepare and file with the County Clerk of Sutter County for posting, a "Notice of Exemption" pursuant to California Administrative Code of Regulations, Title 14, Chapter 3, Section 15062.

Passed and Adopted by the Board of Trustees of Reclamation District No. 1660 on the 8th day of July 2025.
