- Correction – this is the 25/26 Budget Update not 24/25 as stated on the agenda.
- Provided brief overview of the California Mental Health Act created in 1967 and the 1968 Lanterman-Petris-Short (LPS) Act.
- Sutter-Yuba Behavioral Health (SYBH) is under Sutter County Health and Human Services. Sutter and Yuba counties have a Joint Powers Agreement (JPA) whereby Yuba County mental health funds from the state are sent to Sutter County to operate a joint mental health plan for both counties.
- SYBH provides mental health and substance abuse treatment as well as prevention, outreach and engagement.

- Patients Served (FY 2024-25): 4,565
 - 51.4% Sutter beneficiaries (2.4% of total pop of 99,633)
 - 48.6% Yuba beneficiaries (2.7% of total pop of 81,575)
- Total FY 25/26 Budget: \$65,975,493
- Funding is provided from various sources such as the 1991 & 2011 Realignment Acts, Mental Health Services Act, Behavioral Health Services Act, Medi-Cal Reimbursement, grants and allocations and fees and other sources.
- SYBH has two operating budgets for their activities. Traditional MH & AOD services are accounted for in Fund 0007, budget unit 4102. MHSA services are accounted for in Fund 0008, budget unit 4104.
- Payment reform was implemented by the State on July 1, 2023. This implementation fundamentally changes SYBH from a cost-based, Certified Public Expenditure (CPE) reimbursement cost report process, to a rate-based reimbursement with no cost settlement process.
- Proposition 1, passed in March 2024, aims to modernize California's Behavioral Health system. Behavioral Health Services Act (BHSA), replacing the 2004 Mental Health Services Act, and authorizes a \$6.38 billion bond for infrastructure and housing.
- Funding Allocation with Prop 1 mandates:
 - 30% Housing support for individuals with serious mental illness or SUD
 - 35% Full Services Partnerships (FSPs) providing intensive, individualized services.
 - 35% Behavioral Health Services and Supports

5. **BHSA Program Update** – Jesse Hallford, Staff Services Manager, Adult Services. Ms. Hallford reported on the following:

- Bridging Hope – 80 participants have registered as of noon July 10, 2025. The event will be held on September 20, 2025.
- Recovery Happens – This event will be held on September 11, 2025, at Bryant Field in Marysville.
- PEI Mini-Grants – Round three has closed. Two applicants were awarded – one other pending.
- Consumer Perception Survey – Approximately 250 scheduled appointments for the week. No data available yet for final numbers of surveys completed.

6. **Behavioral Health Director's Report** – Rick Bingham, Assistant Director of Health & Human Services and Behavioral Health Director. Mr. Bingham reported on the following:

- Realignment – approximately two-thirds of realignment costs each year are related to placements and do not qualify for the Medi-Cal match. Funding is allocated to pooled hospital contracts, LPS placements, PHF contracted facilities, State Hospital placements and the Managed Care Offset. Highlighting this topic due to new legislation coming in January 2026, SB 43. With SB 43, SYBH is anticipating that conservatorships will increase which will impact this funding.
