## CERTIFICATION OF COST ALLOCATION PLAN

This is to certify that I have reviewed the cost allocation plan submitted herewith and to the best of my knowledge and belief:

All costs included in this proposal to establish cost allocations or billings for fiscal year 2025/2026 are allowable in accordance with the requirements of 2 CFR Part 200, "Cost Principles for State and Local Governments" and the Federal award(s) to which they apply. Unallowable costs have been adjusted for in allocating costs as indicated in the cost allocation plan.

All costs included in this proposal are properly allocable to federal awards on the basis of a beneficial or causal relationship between the expenses incurred and the awards to which they are allocated, in accordance with applicable requirements. Further, the same costs that have been treated as indirect costs have not been claimed as direct costs. Similar types of costs have been accounted for consistently.

I declare that the foregoing is true and correct:

1. Departmental Accounting includes compilation of the final budget, accounting for County payments and receipts, cost accounting, audit management of special districts, accounting for Courts, and preparation of various financial reports to State and Federal agencies.
2. Payroll function processes payroll and all related duties for the County.
3. Claims function issues warrants to vendors, welfare, and child support recipients.
4. Direct Identified is time spent on activities that benefit only one fund or department. In FY 23 there are no direct identified services.
5. Internal Audit function evaluates and monitors internal controls and performs compliance audits for the County.
6. **1202 Treasurer-Tax Collector**

The Treasurer/Tax Collector is responsible for the receipt and safekeeping of all monies paid to the County. The Treasurer redeems checks authorized by the Auditor/Controller. Costs were developed based on time studies and are allocated to all departments based on the average daily cash balance. A portion of various employees' salary are paid for by budget unit 1204 Office of Revenue Collection resulting in the above salary base not equaling the Human Resources salary schedule. Costs of the Treasurer are allowable for plan purposes and are categorized and allocated as follows:

1. The Treasury function includes time spent on receipt, disbursement, and investment of funds for the County, special districts, and school districts, and warrant handling for payroll and vendors.
2. The Taxes function includes activities that are required to carry out the overall responsibilities of local governments but do not benefit any department. This is classified as General Government and is not allowable for plan purposes.
3. The Administration function is time spent on departmental activities for a common or joint purpose benefiting more than one fund/department.
